

Peeples Valley Yarnell Historical Society

Howdy, Potential Sponsor,

The Peeples Valley –Yarnell Historical Society will be holding our primary fundraising event “RANCHING AND MINING TRADITIONS” on Saturday, October 16, 2010 at Model Creek School on Hays Ranch Road in Peeples Valley.

This event filled day will start off with breakfast from 7-10 am, as local talents entertain with music and poetry. There will be a fine selection of arts and crafts vendors displaying many creative wares to purchase. Ice cream made on an antique John Deere Hit & Miss engine; fresh made popcorn, Navajo Tacos, as well as other “fun foods” will be available during the day. Games and activities planned for kids and adults include, Roping Contest, Pie Eating Contest, Egg and Spoon Race, Stick Horse Rodeo, and more. Demonstrations will take place throughout the day, such as, branding, campfire cooking, butter making, gold panning, blacksmithing & horseshoeing, just to name a few. Workshops will be set up for those who want to learn about a variety of subjects. The silent auction consisting of interesting donated items will take place from 10-3 pm, and, has been a staple in our fundraising efforts. Finishing off the day of family fun and activities will be our much anticipated Pit BBQ Dinner, from 4-7 pm. Music, skits, and poetry will be scheduled through dinner, to 10:00 pm.

The Historical Society continues the restoration process of the 1927 Peeples Valley school house, and will continue to restore this National Treasure to its completion, so this landmark can become a functioning part of our community by offering special programs that entertain and educate our citizens in western ranching and mining history. The school will be open during this event, hosted by locals well versed on this areas history, and will be decorated with an antique quilt display.

The Peeples Valley-Yarnell Historical Society invites you to support our efforts by becoming a sponsor for our 2010 “RANCHING AND MINING TRADITIONS.” For a donation of \$100 or more you will be included on our “Sponsor Banner” which we proudly take with us to this and other events that we attend. DONATIONS ARE TAX DEDUCTIBLE.
